**RESPONSE TO NOTICE TO FILE MISSING PARTS**

This paper is in response to the Notice To File Missing Parts mailed June 23, 2006.

An Information Disclosure Statement (IDS) (Exhibit "A") and a compact disk were filed by Mr. Milch of Cooley Godward LLP and received by the USPTO OIPE on October 18, 2004 (Exhibit "B"). That compact disk (CD) contained files which were references in support of the IDS.

The compact disc (CD) was filed in the belief that it would be acceptable for exhibit purposes to support an information disclosure statement under 37 CFR §1.98.

Mr. Milch's statement "a copy of each document cited in the attached form PTO/SB/08A (1 of 2) is provided on the enclosed CD" indicates he was not using documents on the disk as subject matter of the instant application.

Based on the file record transferred from Cooley Godward LLP to Thelen Reid & Priest LLP, we believe that no part of the subject matter of the application is included on the compact disk filed on October 18, 2004. To our knowledge, no other compact disks have been filed with this application." Based on the fact that no subject matter of the application is contained on the compact disc and that this was reasonably clear from the papers on file in the instant application, please withdraw the Notice To File Missing Parts as the application contained all necessary parts as filed.

We are unable to locate a copy of the compact disk submitted, and thus cannot send another copy.

The Commissioner is hereby authorized to charge any additional fees or credit any overpayment to Deposit Account No. 50-1698.

Respectfully submitted,  
THELEN REID & PRIEST LLP
